A HISTORY OF EXCELLENCE

Founded in 1971, Charter Builders, Ltd. has twice been named the AIA Dallas' Contractor of the Year and is a 2009 National Construction Safety Excellence Award winner in the 100,000-500,000 man-hours category from the Associated General Contractors of America (AGC).

Charter's management team has been in place since 1993 and the company is staffed with talented individuals committed to earning the customer's trust and exceeding their expectations. We specialize in CM-at-Risk, Design-Build and General Contracting for public and private owners, with a primary emphasis on educational facilities.

With a dedicated staff of LEED Accredited professionals and Building Information Modeling (BIM) personnel, Charter continues to deliver service innovations to our clients.

In over three decades Charter Builders has completed more than 500 projects ranging in size from \$5 million in excess of \$130 million.

PRIMARY SERVICES

Charter Builders, Ltd. Pre-Construction and Construction Services are tailored around the needs of the customer and provide flexibility in our delivery methods. Having the ability to adapt the structure of our services enables Charter to provide our customers with the "Best Value" for the services provided. We work closely with the customer and design team to maximize the value of the product without compromising quality, budget or schedule.

MARKET SECTORS

Our diverse project portfolio spans several markets including Educational, Commercial, Government, Justice, Religious Centers, Stadiums and Athletic Centers.
